MCIR/SIRS Training for Childcare Reporting Staff

This training is designed for individuals involved with reporting immunization data for childcare centers. Participants will learn the basics of MCIR/SIRS, utilizing IP and rosters and reports, McKinney-Vento Act, Waivers, aggregate forms, and understanding deadlines to meet public health reporting requirements.

Childcare Training:

❖ Monday, August 21, 2023 from 1pm-3:30pm.
